

Monthly Grapevine Meeting
Area 67

6400 Westpark Dr.
Houston, TX 77057

September 15, 2016

Open 7:14pm with Serenity prayer

Introduction-(Present) Patti, Cynthia and Tara

Secretary Report-August minutes were read and accepted

Old Business-

Tara mentioned she has looked at the seta website and cannot find the requirements for being grapevine chair

There was discussion about adding the question “Do you have a grapevine rep?” to the Group Inventory. I talked with the delegate and she said it would have to get voted in to have us add the question or change anything in the pamphlet. I said I would get back to her and bring it up for discussion to grapevine. We will table this until Harold is back.

New Business- Improving our grapevine

Cynthia suggested we go to the surrounding clubs in Houston and set up a literature table to get the word out about the grapevine. She mentioned maybe MWF. However, Tara was concerned with the need of people to man the table and currently we don't have enough people involved in grapevine to do something like that. Cynthia suggested we send letters to clubs that we are in need of support and inform them of grapevine with available service positions needed in their group. Cynthia brought up going to meetings and handing out literature.

We will table this until Harold is back.

Patti suggested Tara call the grapevine roster and check to see who is currently a grapevine rep. Tara agreed to do so.
