Secretary Report- Read the Secretary's Report for February and Accepted. Tara was wrong to not show up with grapevine

Treasurer Report- Melanie explained the quarterly budget for the Area has been approved. It was mentioned that \$50 was used for postage. We currently have \$1846 in grapevine budget. We need to spend the money or the money may get split.

Old Business-

Chair Report- Melanie said there was no one to stand for minutes for March and we will move on now. Melanie has all grapevine supplies from Harold and brought to meeting. Melanie suggested the goal would be to sell literature and push literature for publication of the grapevine. We need to also make sure we are all registered as grapevine reps. We should be taking literature to group to acknowledge grapevine. Keep some of the literature for display. Question from the group, "What do we do with the money after we sell grapevine literature?" This is tabled for topic at the next meeting? Literature was split among the group and Melanie will look to purchase new literature
