

SETA
April Report
Grapevine Committee

We are talking about going to all the District meetings to get people involved with grapevine. At these meetings we will be giving out a grapevine book.

Peter C. Disaster response committee has inquired about getting some grapevine magazines for care packages at the red cross shelters. I have emailed Grapevine to see if we could get a discount on bundled old magazines. We have not heard back from them as of yet.

Roy with CFC has asked grapevine to be a part of their Conference. We will be set up in the archives room.

We still are not transparent for the last year, maybe even two. We were not given proper inventory that we should have.

Which is one of the reasons that we are asking for a discount for bundled grapevine issues. We have had to repurchase gift certificates when the committee purchased 25 last year. Inventory did not include proper literature that was purchased. Has not had accountability.

We are working on being transparent and staying that way.

Thank you for the opportunity to serve,

Kimberly L.
