

AREA 67 SETA GRAPEVINE COMMITTEE REPORT
OCTOBER 2020 - DECEMBER 2020

Unfortunately, we have not had much going on due to the pandemic. There was a couple new District GVRs at our October meeting. Discussed upcoming year and how we can be of service on spreading the message in print.

Our Alt. Chair is unable to fulfill duties of Chair. We asked our other committee members to take back to their District to see if there anyone interested. We had committee member say they were willing to be Alt. Chair.

Asking for committee members to bring back to ideas for online workshop and how to facilitate online.

We did not meet in November.

In December we discussed the price and shipping cost changes for Grapevine magazine. And bigger print of the magazine which has now been rescinded.

Committee discussed the ideas for workshops that the committee can present on zoom.

Committee member we had appointed as Alt. Chair unfortunately we are not in contact with nor have they been a part of our committee meeting.

We have moved forward with another member that is willing to be of service. And stand for Alt.Chair. Luis A GVR for the Atascocita Group is willing to stand for Alt.Chair.

Unfortunately, everyone that held position on committee for this term will no longer be able to be in service position for committee.

We are still asking for someone to stand for Chair and Secretary.

Asked all members to take back to their District meeting and announce the vacant seat.

Thank you for the opportunity to service,

Kimberly L
Area 67 Grapevine Chair
