WANT TO HELP ANOTHER ALCOHOLIC?

"AA is more than a set of principles; it is a Society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven't been given the truth will die."
-Bill W., July 1955, The Language of the Heart.

AAGrapevine YouTube Channel

In 2017, the General Service Conference recommended "that AA Grapevine create a Google for Nonprofits account limited to the YouTube Nonprofit Program."

AA Grapevine, Inc. is currently displaying content on the channel, consistent with AA principles and copyrights. The channel was first populated with AAWS' engaging, Conference-approved PSA: "Doors", an animated version of a member's recorded story for the GV Audio Project and two behind-the-scenes clips from the plant where the magazines are printed. We have since added a timeline of the making of our Big Book as well as a discussion from one of our non-alcoholic Class A Trustees on the use of AA Grapevine in CPC (Cooperation with the Professional Community) work.

Expansion of the AA Grapevine YouTube collection is in process, with the ultimate goal of hosting video content that may be of use or interest to members, the general public and the professional community. The first series will fall under the umbrella of "Explainer Videos" that will serve to convey useful information on various topics with the purpose of streamlining access to multimedia content. This has been launched with the release of animated videos celebrating our 75 Year Anniversary in both English and Spanish.

The "comments section" on the Youtube page are disabled.
