OPENING:

The Area 67 PIC meeting was preceded by a very well attended sample talk provided by district 40. Several individuals were unable to stay for the Area meeting due to time constraints. Tom K. opened the area meeting 2:50PM by welcoming the remaining attendees. Each attendee was asked to introduce him or herself and provide a bit of information about their role, their home group and their home group's district.

The PI Committee definition was read out loud.

NEW BUSINESS

Website contact info: The SETA website Public Information Committee page does not currently contain clear contact information for people to be able to reach out to the PI Committee. It was suggested, voted upon and approved that we will list several contact numbers on the website. Initially, Tom K, Chris H and Chris R's numbers will be shown.

It was also brought to our attention that, although, the website does have an e-mail link to get in touch with the Committee chair, the link does not appear to work. It was decided that it makes sense to have these e-mails routed to the secretary.

OLD BUSINESS

CLOSE:

The meeting was closed at 3:10 PM with the responsibility statement.
