

Area 67 Public Information Committee Approved Meeting Minutes for 7/11/15

Meeting was called to order at 4:30 at the Sheraton North Houston Hotel

The meeting began as a joint meeting with the CPC committee to discuss the web sites we are developing.

Vern P a member of both committees is doing development work and made a presentation on what the website may look like

The website would have a landing page that would have a number of options to choose from - Professionals; General Public; Press; SETA

It would highlight and have links to the key pamphlets for each committee

We would include information about how to reach us via email or phone

It would also include a link to all the intergroups in our area to find a meeting

The press section would include the letter to the press sent our yearly by world services - not sure if we will be able to view the PSA's on this site or just have a link

At this point the two committees separated for their own meetings.

The Attendees for the PI Meeting: Kate E., Vern P., Deborah G., Marvin W., Patrick C., Lynn, Tom

Open Positions

Secretary

Alternate Chair

Deborah G - Stood for secretary and was unanimously elected

Secretary's Report -accepted with corrections
