2. Discussion

The committee has made some progress in completing the data base. Quinn has resigned as District 31 TFC Chair due to medical issues, please keep her in prayer, this loss has increased the number of open districts to four (listed below).

There were no new facilities to report, but Pam F., The Committee Chair had updated information for the "Way out Women's Center", this facility is a 10 day detox program for no cost in Houston no Rx included because medical staff is unavailable. If a woman has completed the entire 10 days, they are allowed to detox a second time within a 1 year time frame.

The ad hoc committee for the data base is open for volunteers since Quinn has stepped down. Vern has not begun the set-up but we continue to gather data and the committee's goal is to have an electronic data base by year end (see goals listed below).
