As God Intends It To Be

One of the many things AA has taught me is that things don't always work out as planned. They do however work out as God intends them to. I don't have to understand it, I just have to have Faith in it. The Traditions Dinner this year was no exception to that rule. Through the path that God guides me down, I am able to mend and bend; pray for healing and learn what perseverance and dedication look like. For those of you that helped put this together, I am grateful for your service and your friendship. For all of you that attended, I thank you for sharing an experience and a meal with me. For the last minute willingness and knowledge displayed by those who walked before me, I am honored. And for the speaker that showed up against all odds with willingness and a heart of gold, I am humbled. For those of you who couldn't be with us, you were missed. The decorations were lovely, the food was delicious and the dessert was abundant. Jon's presentation was interactive, informative and uniquely his own. After chicken, biscuits, and all the fixin's, the second half of the evening was impromptu performances from our past delegates in attendance. They each chose a Tradition and shared a little part of themselves with us. After lots of laughs and a memory I won't soon forget, the clean-up crew was swift and mighty and I was on my way home grateful for another year, another experience in Service and another mile closer to my bed! I look forward to next year, a new rotation and a clean garage. J I am

hopeful that our incoming Alternate DCM will add their own spice to one of my favorite annual events.

In Love and Service, Corrie H. D40 Alt. DCM

Step Seven

Humbly asked Him to remove our shortcomings.

Tradition Seven

Every A. A. group outght to be fully selfsupporting, declining outside contributions.

Concept Seven

The Conference recognizes that the Charter and the Bylaws of the General Service Board are legal instruments: that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Alcoholics Anonymous. It is further understood that the Conference Charter itself is not a legal document: that it relies instead upon the force of tradition and the power of the A. A. purse for its final effectiveness.

District 40 July 2016 Report

Hello Friends, we held our 30th Annual D40 Traditions Dinner on June 18th & I want to say that it was such a fun, real, inspiring day! Our speaker unfortunately got sick the night before & bless his heart, he literally suited up in his best & stood at that podium fully prepared to give a Traditions talk straight from his heart. His stomach decided it was going to run the show & I got to witness a dedicated member of Alcoholics Anonymous handle the situation with extreme grace & dignity. My Alternate & I decided right then & there that we were simply blown away that he even showed up...character & integrity are the only words that can describe him! As if that experience wasn't quite spiritual enough for us (not sure how he would describe his experience) God decided to show up & show OFF! We just love it when He does that. We quickly held a mini group conscience at our table of current & past D40 DCMs & voted on a Plan B. One look around the room & we knew deep in our hearts without a shadow of doubt that there were a perfect number of servants sitting in the room enjoying their food & the fellowship to continue on with the Traditions presentation. That may not sound like much of a situation, but I sit here close to a month later still in AWE at the willingness, passion, ease, spirit, knowledge, experience, unity & love that came from each & every one of them.

Corrie, myself & all of D40 would like to personally thank, Deborah, Harold, Patrick, Betsy, Kris, Troy, Jon & last but certainly not least God for making the 30th Annual D40 Traditions Dinner a true reflection of how we work, play, serve, love & live together every other day of the year in D40. Simply put, best day ever for me in this legacy of service. I do not believe that I would call It work at all.

Since all things District related do not always fall under the category of event, but rather business, we are reviewing & finalizing our D40 job descriptions on Tuesday at our next meeting so that we can dedicate our August meeting to preparing for elections in September then we will move on to preparing a budget for 2017 in October; as well as supporting all of our Area Committee Reps in their work. There have been 3 new GSRs join the D40 family since May & I am extremely proud to say that the existing GSRs truly step up & welcome them in with open hearts & a strong willingness to help set each other up for success. I would also, like to acknowledge the SBMC for supporting D40 for the last several months when our home at Bear creek Community Center was closed due to flooding damage, We have not for one single second "felt" homeless. It is heartwarming to know that we have such good friends all around us in our AA community.

Please come and visit us anytime, we have plenty of room ...and we have plenty of cookies!

understanding ANONYMITY

This is A.A. General Service Conference-approved literat

"ANONYMITY IS THE SPIRITUAL FOUNDATION OF ALL OUR TRADITIONS, EVER REMINDING US TO PLACE PRINCIPLES BEFORE PERSONALITIES."

What is the purpose of anonymity in Alcoholics Anonymous? Why is it often referred to as the greatest single protection the Fellowship has to assure its continued existence and growth?

If we look at the history of A.A., from its beginning in 1935 until now, it is clear that anonymity serves two different yet equally vital functions:

- At the personal level, anonymity provides protection for all members from identification as alcoholics, a safeguard often of special importance to newcomers.
- At the public level of press, radio, TV, films and other media technologies such as the Internet, anonymity stresses the equality in the Fellowship of all members by putting the brake on those who might otherwise exploit their A.A. affiliation to achieve recognition, power, or personal gain.

When using digital media, A.A. members are responsible for their own anonymity and that of others. When we post, text, or blog, we should assume that we are publishing at the public level. When we break our anonymity in these forums, we may inadvertently break the anonymity of others.

Pg. 5

In stressing the equality of all A.A. members — and unity in the common bond of their recovery from alcoholism — anonymity serves as the spiritual foundation of the Fellowship. Back in 1946, Bill W., our co-founder, wrote: "The word 'anonymous' has for us an immense spiritual significance. Subtly but powerfully, it reminds us that we are always to place principles before personalities; that we have renounced personal glorification in public; that our movement not only preaches but actually practices a true humility."
