UNITY - RECOVERY - SERVICE

REGIONAL FORUM

Jackie S., District 40 DCM

The Southwest Regional Forum was great! I was able to have conversations with the Trustees and Staff from the New York office during the break out rooms along with other A.A. members. I thoroughly enjoyed listening to the international travels of the Trustee at Large / Canada. What a great opportunity to serve in that position. The new Chair of the GSB is also a Judge and shared great stories with us. The new General Manager shared that he was 23 years old when he got sober and started in A.A. service early. He has a lot of service experience. Attending the virtual forum was a great experience that was available to all A.A. members.

VOLUNTEERING AT SETA

Doug D., District 40 ALT- DCM

Prior to the last convention hosted by the South East Texas Area, Area 67, we at District 40, were visited by the hospitality committee for support. We had 3 different groups that stood to host the Friday night meal in the hospitality suite. Those groups included the Wild West group, the Rule 62 group and the Katy 12&12 group, which were all backed by District 40. This coming SETA convention 2022 we have the opportunity to help with the hospitality again.

Let me just start off with, back in 2020 none of us involved had any experience on hosting a dinner in a hospitably suite before but that is what service is all about. The ability to say yes to helping out where ever you may be needed is the root of service in AA. Along with the opportunity to learn by doing and taking on new tasks is a great way to grow spiritually and to give back at the same time. We had to raise the money and support of volunteers to put on this on but thankfully we had a head start of a few months. One of us took it upon themselves to reach the food and seek out vendors close to the events location so the food was fresh. One had

to transport all the containers of District 40 items that we might need, and let me tell you we should have looked through it all and just took what we needed but again we were new to this so we took everything. We all arrived at

moody gardens early to have time to setup and get the information to the greeters so the attendees knew where to find the hospitality suite. Once the doors were open and the people came in you could see the work was worth it, to see everyone come in and relax as if they just stopped by a friend's house for coffee.

I hope this will give you a little insight on what you may be part of this year at SETA 2022. I remember sitting in the hospitality room back in 2020, I think mid-day on Saturday and talking to others from all over our Texas, some with long sobriety and some just a few days. It made me remember my first SETA convention when I was invited by someone from my home group. I did not have the money for admittance so another member paid for me. So it showed me what this program is all about, help out the next alcoholic. So I will ask you, what are you willing to do to help the next alcoholic this coming year? Let's make 2022 a year that we all get together, in person, and make AA stronger. We have been apart for too long in my opinion and need fellowship in the same room, meetings and conventions.

D40 DCM Report September 2021

I was asked to chair the GSR Workshop at the October SETA assembly that is coming up on Saturday, October 2nd! District 40 is not hosting the entire SETA assembly; we are just responsible for the GSR workshop. This is a separate workshop from the one Doug will be discussing next. The following are the four district 40 members that agreed to present. Doug D., Natalie A., Dan K. and Peter C. So, with all that said, let me give you a few of the particulars;

Start Time: Saturday, Oct 2nd, 8:30 AM (presenters please arrive 15 minutes early if possible.)

End Time: 9:30 AM

Location: The Double Tree Hotel Houston Intercontinental Airport and on ZOOM (Hybrid)

Type of Workshop: This is an interactive workshop. We are expecting GSRs to ask questions after each presentation and to ask general questions after all the presentations are finished. We will have available to us, A.A. members with the most service experience. They are usually energetic to answer your questions. So may I ask all of you to attend this GSR workshop to support your District 40 members who are presenting? And...maybe consider having

some questions ready ahead of time? All the GSRs from other districts will want to know the same things you do! And vice versus.

- **ALT. DCM REPORT – Doug D.**

The D40 workshop will be on NOV 20 from 11am to 1 PM via ZOOM. It will cover what is a General Service Representative (GSR) and what is the job description, responsibilities and opportunities. We will have a few presenters tell about their service from group, district and area service. Natalie will work with me to make the flier. This will be an open forum where questions are welcomed.

BOOKSTORE

They are working hard to keeping the essential recovery materials in stock. To help reduce inventory during the move some of the “Gift Items” may not be in stock.

June income was \$23,304.20 and July income was \$26,625.49. Sales have exceeded budget for the two months by \$4,260.04 and \$7,581.33 respectively. Two great months in a row. They are now over budget \$9,941.34 for the year to date and have made up slow sales from the “Great Freeze” of February.

THE LINK

The June, July and August editions were e-distributed by the 2nd week of each month. The Link can be viewed at aahouston.org/intergroup/the-link-newsletter. You can also subscribe to the Link at this address.

MEETING DIRECTORIES

There are 2033 meetings per week, 581 groups and 318 locations as of August 17th. The new directory is still set for a November printing date.

CHIP SALES

Sales were up in June and July. Both months had 1020 desire chips. One interesting note is that 4 month chips were down in June to a year low of 75 but July showed the largest for the year at 159. It appears to correlate to the February freeze.

PHONE CALLS TO INERGROUP

June was 1407 (highest for 2021) and July was 1245 (lowest except for February).

UPCOMING and PAST EVENTS

The July 24th 10th annual Summer Open House was a success.

Literature Report-Dan K

September 14th, 2021

- Purpose: The purpose of the literature committee is to raise the awareness for AA conference approved literature, audiovisual, and other special items.
- At our last area committee meeting, we discussed putting together a packet of selected pamphlets for the purpose of leading and presenting at group meetings. We are reviewing the pamphlets as a committee and will select the 10 pamphlets and will determine display folder ideas for the presentation sets.
- This month features the pamphlet "The Jack Alexander Article About A.A.: The Article That Marked a Milestone in the History of A.A.". The article, entitled "Alcoholics Anonymous" was published in the Saturday Evening Post issue of March 1, 1941. Although one national article has been published previously, the Post report on the handful of men and women who had achieved sobriety through A.A. was largely responsible for the surge of interest that established the Society on a national and international basis. In 1941, Jack Alexander reported upon the sense of humility and service that distinguished the A.A. program and those who then practiced it, and the same awareness of our need to continue to serve fellow alcoholics in a spirit of helpfulness and humility remains the cornerstone of our Society.
