## Serious Drinkers

Jackie S, District 40 DCM

Well, it's only the end of January and Tradition Three topics have already been coming up in the A.A. meetings I've been attending. Other topics as well, but the Tradition Three topics are sticking in my mind. I'm amazed at how we can all read the same literature and interpret it so differently. I believe we can take a sentence and fill in the details with our own imagination. I see that going on; I'm probably guilty of that too. But here is my interpretation; I believe it's very literal. Regarding the third Tradition, "The only

requirement for A.A. membership is a desire to stop drinking." In the Twelve and Twelve, pg. 139, the first two sentences read, "This Tradition is packed with meaning. For A.A. is really saying to every serious drinker, "You are an A.A. member if you say so....". The keywords here are serious and drinker. It

### Step 2

Came to believe that a Power greater than ourselves could restore us to sanity.

### Tradition 2

For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants they do not govern.

### Concept 2

The general service conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in its world affairs.

appears to me that the A.A. Tradition Three only applies to serious drinkers. If I am not a serious drinker, I cannot declare myself an A.A. member! Even though I may have other problems that are serious.

## New to Service?

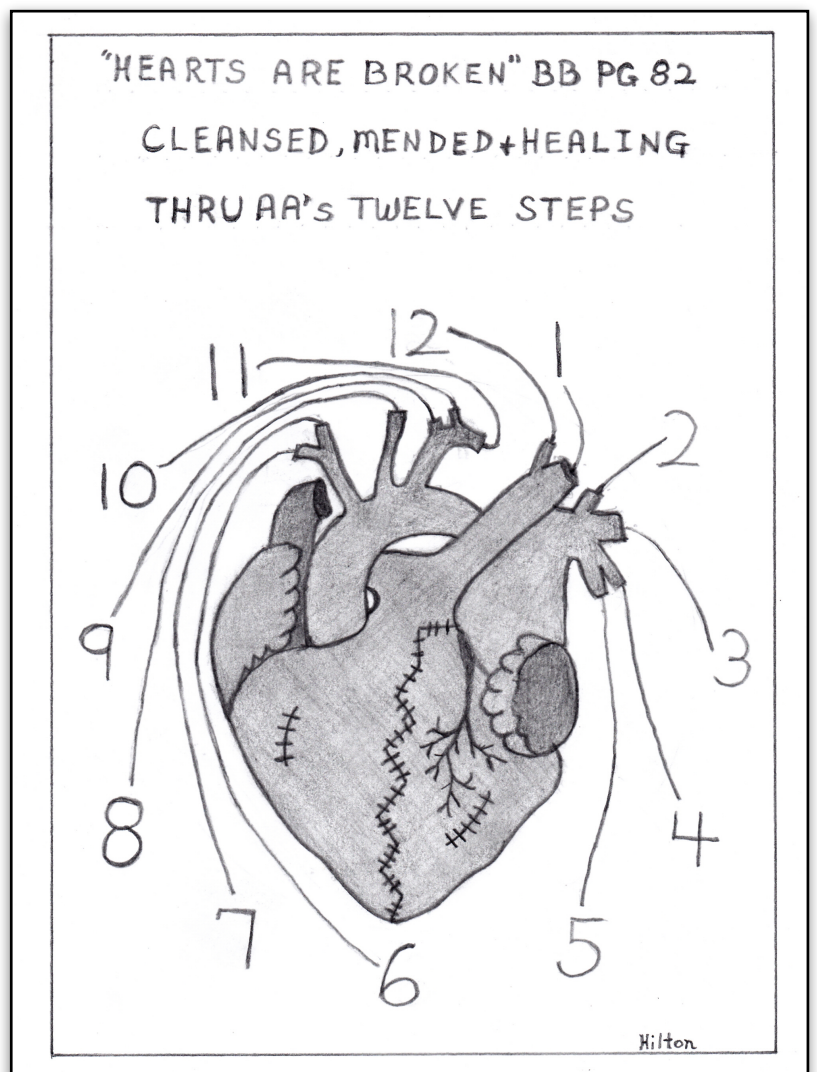

Doug D, District 40 Alt - DCM

Have you ever heard of a Service Sponsor? The A.A. Pamphlets P-15, Questions and answers on Sponsorship has a section on pg. 25 which states, "Individuals may feel that they have more to offer in one area than in another. It is the service sponsor's responsibility to present the various aspects of service: setting up a meeting; working on committees; participating in conferences, etc. In this matter it is important for the service sponsor to help individuals understand the distinction between serving the needs of the Fellowship and meeting the personal needs of another group member. A service sponsor is usually someone who is knowledgeable in A.A. history and has a strong background in the service structure. The A.A. member is introduced to a new language: G.S.R., D.C.M., area assembly, minority opinion. They will become familiar with the Traditions, Concepts and Warranties, as well as The A.A. Service"

When I heard that I should get a service sponsor at my first District 40 meeting, I went back to my home group and asked a few people; they did not know what I was talking about. So I continued to ask asked around some more. I later found someone in a traditions meeting that caught my attention. The way they

would talk about a tradition made me think, I want what they have. The journey was worth it, getting to understand the structure and history of AA. Seeing how this altruistic movement keeps going year after year and decade after decade by passing on what you have been taught. This is the only organization that I know of where someone will teach you, their replacement, how to do the job as good or if not better than them. Service work is privilege to give back freely to the organization that gave us so much. I thank my service sponsor for teaching me the term, Voluntold. I sometimes do need a push in the right direction because that charter defect, procrastination is still hanging on some days. I'll work on that tomorrow, haha!

I hope this helped some of the new members to the District 40 Newsletter. If you have any question you can reach out to any of the District Officers or drop the newsletter editor the question to drop in the Virtual Ask-It-Basket, where you can anonymously any AA related question and they will be answered in the upcoming months.

- Hello to Everyone at District 40! May this month find you enjoying the festivities and preparation for the upcoming Holiday Season with your families and A.A. friends. This month will feature the “G.S.R. General Service Representative.” pamphlet. It states, when an AA member is a general service representative (G.S.R.) this AA person is linking their home group with the whole of A.A. In, 1950, the “group representative” was a new type of trusted servant and was suggested to help in the selection of delegates to the newly formed General Service Conference. By 1953. The job of group representative was also seen as a good means of exchanging up-to-date information between individual groups and the General Service Office. The G.S.R.’s greater responsibility is to transmit ideas and opinions, as well as facts and through this member’s the group conscience that will become a part of “the collective conscience of our whole Fellowship” as expressed in the General Service Conference. Here are the following updated literature materials from G.S.O.
- Announcing a limited-edition of new gift book: A Visual History of Alcoholics Anonymous.
