DISTRICT #40 NEWSLETTER

UNITY - RECOVERY - SERVICE

Congratulations!

Jackie S., District 40 DCM

I want to congratulate Doug D. as our incoming DCM. He was elected at the September elections district meeting along with all the other district servants. Doug is great to work with! We have accomplished a lot, created fond memories and had fun along the way! See the remaining election results further in this newsletter. The incoming service positions go into effect January 1st.

I attended the last and the best DCM sharing session for me at assembly this past weekend! Kris H, Delegate, informed us we should be receiving the Final Report booklets from the GSC, therefore there is a good possibility I will be able to hand them out at our December Holiday party! Please let me know if you are

interested in a copy so I will know approximately how many to ask for. Kris also informed us that at the GSC next year, the Delegates will be able to view the some of the Plain

Language Translation Big Book in person. But that it will probably be a few years before it is ready to publish. We

were specifically asked by Rick M to continue communicating that the Plain Language Translation Big Book is a separate book from the 5th edition Big Book that is also being worked on at this time. Please clarify to your group member that the only changes in the 5th edition will be adding a 5th forward and some different stories in the back. The call for 5th editions stories from our current fellowship has an October 31st deadline. Scan QR code for Details

Step 10

Continued to take personal inventory and we were wrong promptly admitted it.

Tradition 10

Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.

Concept 10

Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

October 2022 Assembly

Doug D., District 40 Alt-DCM

This was the last assembly in this rotation and that means elections. I will get to the results at the end of this report but would like to say there was a hospitality suite. What a great way to fellowship before, after, and during breaks throughout the weekend. I think we as a district should look into doing that for one of the assemblies next year but we will discuss it next year. This assembly will usually be the longest one because we do all the Area's Business on Saturday and that leaves Sunday for our elections. So come out to our January SETA Convention where we do a quick assembly in the mornings during the convention.

There were a few items we voted on. The first one was to purchase interpreter vests to be five Spanish, two American Sign Language (ASL), and one French to be used at SETA Assemblies and Convention. The second was an updated Job description for some of the Area Officers and the last one was recommendations from the Ad-Hoc Committee on the Area Committee. All three recommendations did pass in the Area Committee and will be implemented in the next rotation.

Let's talk about the elections now. What a great way to see the 3rd legacy voting process in action. It did take many hours but I like the way Rick M. presented it by talking about the long hours and multiple days our Delegates go through during the General Service Conference each year and we only do this every other year. This is what service is, giving back to the program that gave "US" so much. We did get to see one of the votes, Area Chair, go to the Hat and I was lucky to be the one that got to pull the ballot. This was the first time I have seen that. I hope in October 2024 we see more District 40 members standing for Area Positions and here are the 2022 Area Election Results:

I do enjoy the Assemblies, more now than the first time. Those chairs take a little bit to get used to sitting in them all weekend but I have learned to get up and stand at the side or back of the auditorium from time to time. Also, with the hospitality room, it is not as much of a burden on those that attend. I know I can drop a hundred dollars on food if there is no hospitality or I don't bring anything. I would like to thank Jackie S. for all the fun and long talks we have had over these past two years. We can take a quick phone call or meeting and turn it into a few hours or more. I believe that is what keeps me excited about service in AA, being around others that Love AA as much as I do.

I plan on seeing all of y'all in Beaumont at the SETA Convention in January 2023.

District 40 Literature Rep Report- August 9th, 2022

Purpose: The purpose of the literature committee is to raise the awareness

October 2022

for AA conference approved literature, audiovisual, and other special items.

□ The Area literature committee met on Saturday, July 9 th during Assembly as a hybrid meeting. We had a spirited discussion on the Plain Language edition of the Big Book. We also discussed what constitutes A.A. approved literature and where to find it on the A.A. website.

□ This month's pamphlet is A.A. and the Armed Services:

https://www.aa.org/sites/default/files/literature/assets/p-50_AAandtheArmedServices.pdf

This pamphlet will acquaint you with some men and women in the armed services from many

backgrounds who want you to know how they came to grips with their common problem — alcoholism — and how fruitful their lives have become since they became sober members of

Alcoholics Anonymous. 6 These stories — in fact, all A.A. stories — illustrate that alcoholism

comes in many different forms and in a variety of disguises. There is no such thing as being too

young to be an alcoholic, or too old, or too different, or too special. In the stories in this pamphlet, you will learn how men and women in the armed services came to Alcoholics Anonymous and found that it worked as well for them as it has for hundreds of thousands of

others who suffered from the same problem — drinking. They learned to change their lives, not

by themselves, but through shared experience with other A.A. members.

If, after reading their stories, you have additional, specific questions, other A.A. members answer these in the final section, "What's it like to be in the military — and in A.A.?" Many A.A.

meetings are held at Armed Services bases, and others can be found in neighboring communities. For those too far afield to attend meetings, there is support through correspondence, worldwide web-based meetings, and a publication called Loners-Internationalists Meeting. For information, see www.aa.org.

□ Next Area Literature meeting on Zoom, August 16th, 2022 @ 8:30PM

- **Newsletter: Fernando B.**
- **PI Rep: Theresa S.**
PI Committee Purpose- "Like all of A.A., the primary purpose of members involved with public information service is to carry the A.A. message to the alcoholic who still suffers. Working together, members of local Public Information committees convey A.A. information to the general public, including the media. The committee meets on the fourth Tuesday of every month on zoom. The login information is in the D40 newsletter. Everyone is welcome to attend. The PI Committee last met on July 9 at the General Assembly. The chair will be purchasing a tablecloth, projector and screen to be used at A.A. events. District 81 is requesting permission

October 2022

from SETA to put up Billboards for the months of December 2022 and January 2023. Some groups in other districts discussed their difficulty in keeping the adopt-a-racks filled with pamphlets and wanted to know if the PI Committee would fund it. Theresa did a PI presentation on zoom on June 11 during a Service Workshop hosted by the Texas Bid for SERCYPAA and had a display table at the District 40 Traditions Dinner that was held July 23, 2022. District 40 still has 3 adopt-a-racks ready to give-away to GSRs who are interested. Just contact me at theresa.s@aa-seta.org.

- TFC Rep: Matt G.

DCM REPORT: Jackie S.

Next month in September, we will be holding District 40 elections. Those newly elected positions will go into effect on January 1, 2023 for a 2 year term. So your current position will end on December 31 st . Please pray, check with your families and consider your work schedule when deciding which position you stand for. Rick M. plans to do a presentation on Third Legacy Voting procedure prior to the election. The Area elections take place at the next assembly in October. And yes, GSRs vote at that election too. If you have never participated in the Area election, it is quite an event. Mark your calendars! See you there.

ALT DCM REPORT: Doug D.

This is the wrap-up of the traditions dinner. I will call on the traditions dinner committee leads to giving a quick report on what they and their committee members or helpers thought on their part and the dinner as a whole.

I would like to thank everyone that volunteered and helped, in putting on this District event. I hope everyone had fun and enjoyed the fellowship and food. Hopefully, you may have learned some new information about the traditions.

As the financial report shows that we were under budget for this event. I would like to thank our District 40 grapevine and literature reps for help with some of the giveaways. It was a broad selection for a wide variety.

Marcus – food

He enjoyed it and thought it was amazing

Bill – registration

It was great and thought it was a success

Natalie – decorations

Loved it and thanked everyone

Kimberly – Cleanup
