

DISTRICT 40 NEWSLETTER

UNITY - RECOVERY - SERVICE

Step 2

Came to believe that a Power greater than ourselves could restore us to sanity.

Tradition 2

For our group purpose there is but one ultimate authority—a loving God as he may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

Concept 2

The General Service Conference of AA has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in its world affairs

Time

Here we are, going into our second month and we already have a lot on our plate. We tackled the first obstacle in setting up our District inventory. I just found out that in March we will have Rick M, Delegate P73 and Alt Delegate Christina S join us in our District meeting to urge our groups and committees to provide feedback on the agenda items. As soon as I receive them, which should be mid-February, I will send them out to everyone on the District 40 mailing list. Please take the time to post them and/ or forward them to your group members. It is our job to send our delegate to the GSC, informed but not instructed, of our entire group's collective conscience on these matters. As I hope everyone has been doing with the district inventory questions and will send them to me by Feb 11, 2023, so I can get them to put together for Wayne to review before the 25th.

As you will see there are some months that we will have scheduled items to cover but if we are efficient with our time we should be able to conduct our regular district business and get through the inventory items throughout this rotation. I believe for this inventory to be effective we need to take our time with items and not rush through them. I know it says in the Big Book, "we launched out on a course of vigorous action" and that is when you need to have the obsession for alcohol to be lifted. I know when going through the steps again in my recovery I took my time to go deeper into them and see where I need to change and grow. That is what I think is needed in this inventory process and I am excited to see what it may reveal. After working on the steps and doing them again, because this is a program of growth, I don't fear the future.

Love Through Service

What do most think about during this time of year? Love of course. It's a gift of God's grace to have the capacity for love today. Without it, I wouldn't be sober, and there would be no room for it. Do I love AA for what it does for me, or for what I can do for AA? As an act of love, God freely gave His grace to me. How can I demonstrate that love to AA today?

District Inventory: I am so excited to have our district Inventory on February 25th from 10AM to 1PM. This will be a hybrid meeting. We will meet virtually on Google Meet, and physically at the 8373 Club. See Doug or I for more information on how you can attend and participate. Spread the word!

District Storage: Doug has added me to the account of our storage facility to enable me to better manage this resource for our District. As I have shared previously, I was able to negotiate a temporary reduction in our monthly rate until June. I will be calling into their service center to negotiate a lower long-term rate in May.

District Meeting Location AdHoc: Our focus shifted to determine the physical location for the District Inventory, and now will be shifted back to our monthly District meeting. It is possible we will find a temporary location soon, until we can find a more central location for our monthly meeting. We want to be as accessible as we can to as many groups in our District as we can, but want to adhere to our District's decision to be hybrid for the 2023 calendar year. More to come!

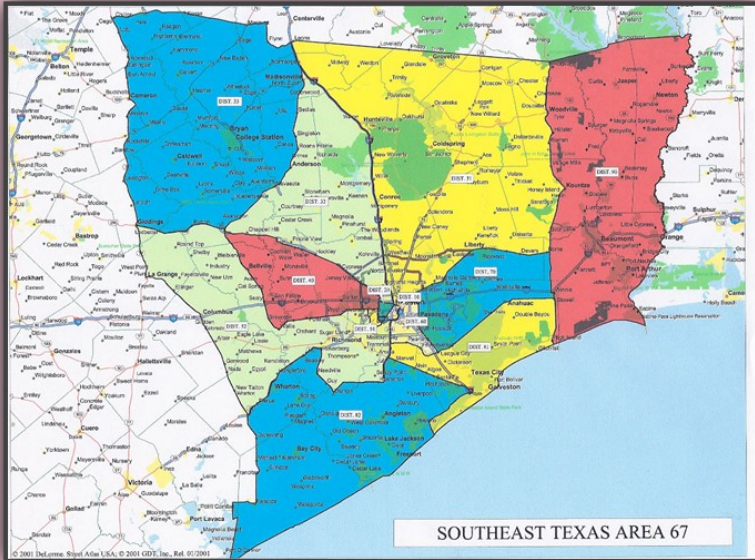

As always, please let me know how I can be of service to your group in better carrying out our primary purpose!

Love through service,

Mike B
