UNITY - RECOVERY - SERVICE

Step 5

Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.

Tradition 5

Each group has but one primary purpose—to carry its message to the alcoholic that still suffers.

Concept 5

Throughout our world services structure, a traditional "Right of Appeal" ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.

What was your DCM doing this past month?

I would like to thank Rick O. from Bear Creek Fellowship for inviting me out to their Group Conscience in April with Rick M, our delegate. We attended the meeting before the GC and it was an awesome Traditions meeting! I do love a good tradition meeting, I still think we need more of them. It is good to see a group involved in their business to make sure they will be there for the next suffering alcoholic to walk in the doors as we all did on that day we started down the path of recovery.

It was good to start to get out to the groups in the district. I am still working on getting a current list of registered and non-registered groups in the District. GSO has 169 on its list and Intergroup's list is of all the meetings in the meeting finder. That one will take more time to strip down since most groups have more than one meeting. I see it as one of the tasks I get to work on during my rotation to get more of the Dark groups to get involved in the structure of AA and all Three Legacies. That is my wish but I will be happy with just reaching out to them and seeing if they need anything. As we all know that most AAs don't like to be told what to do but at least I can start the process. Just like meeting a newcomer, it is my privilege to plant a seed of what AA can do for a person, family, or group.

The lottery for a trip to SW Regional Forum in my place is gaining names by the day. It is good to see so many that would love the opportunity to go and experience it firsthand and report back on what they learned. Mike B and Theresa S will be drawing for this at our May D40 meeting. I am excited to see who wins. Once that is done the arrangements can be made for travel and hotel. I hope they find the fight that everyone else from the Houston area will be on. It was fun going to SWRAASA last year and seeing everyone you see at assemblies walking through the turnstiles at the airport heading down the same way towards the fight. I am not sure what Bill meant by "you will surely meet some of us as you trudge the Road of Happy Destiny". It was good to sit and talk with everyone before, during, and after the flight. You can also see if others want to share an UBER or get a ride from someone that has a rental car.

Primary Purpose

Tradition Five: Each group has but one primary purpose—to carry its message to the alcoholic who still suffers. – Twelve Steps and Twelve Traditions Pg 150

Tradition five is one of my favorites, and since it's the fifth month, I figured I would write a little on it.

The long form in the Twelve Steps and Twelve Traditions (Pg 190) is:

Five—Each Alcoholics Anonymous group ought to be a spiritual entity *having but one primary purpose*—that of carrying its message to the alcoholic who still suffers.

I thought it was trivial when I got sober and was first introduced to our basic text (Alcoholics Anonymous), but thanks to good sponsorship, I was encouraged to understand what I was reading. This was done by using a dictionary and other literature aids. It was pointed out to me Bill's use of the em dash. It can create emphasis or be used to end a thought and begin a new one. Something closely related to this tradition is this statement in Alcoholics Anonymous (Pg 58-59)

"Remember that we deal with alcohol—cunning, baffling, powerful!"

This one was used for emphasis. What do we deal with? Alcohol. What are its features? Cunning, baffling, powerful! We don't deal with anything else. What is the ingredient necessary to be an alcoholic? Its in the name.

This is what we're good at. I may, personally, know a lot about a lot of things. But that is not what I am called to do in the 12th step. Carry **this** message to alcoholics. What is the message? The message our basic text, Alcoholics Anonymous, carries. This includes the spiritual program of action outlined in our twelve steps.

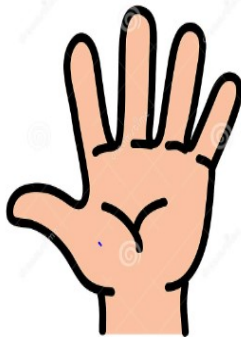

The group is the spiritual entity with which the message can be carried. Not my mess, the message. That's the emphasis here in this tradition—carry its message to the alcoholic who still suffers. Whether newcomer, middle timer or old timer, the qualification here is the **alcoholic** that is still suffering.

As always, please let me know how I can be of service to your group in better carrying out our primary purpose!

Love through service,
Mike B – Alt DCM District 40

SELF-SUPPORT

The Seventh Tradition states that Alcoholics Anonymous is self-supporting through our own contributions. The contributions help to cover the group's expenses. But the Seventh Tradition is more than simply paying for rent and other group expenses. It is both a privilege and a responsibility of individual groups and members to ensure that our organization, at every level, remains forever self-supporting and free of outside influences that might divert us from our primary purpose.

The monetary amount of each contribution is secondary to the spiritual connection that joins us in unity with A.A. groups around the world.

Service Material from the General Service Office

Self-Support Facts

Does G.S.O. handle all the contributions that come from the Fellowship?

While members and groups often use the phrase "contributing to G.S.O.," contributions are actually made to the General Service Board, which is responsible for all Seventh Tradition contributions. The G.S.B. accepts contributions and uses them to help pay for services to the Fellowship that are carried out by employees of the two affiliate corporations working at the General Service Office.

Seventh Tradition contributions do not cover all costs of services; the shortfall is made up with literature sales.

Contributions may be made by check or credit card, using the contribution envelope. Make checks payable to the General Service Board and send to:

General Service Office
P.O. Box 2407
James A. Farley Station
New York, NY 10116-2407

(Please write your group number on the check)

Online contributions may be made by credit card. Additionally, members or groups can set up recurring contributions that will automatically charge their credit card either monthly, quarterly or annually. Click on the A.A. Member Contributions Online icon on www.aa.org.

INTRODUCTIONS – Name/Home Group/Service Position

SPECIAL GUEST: Delegate Rick M., and Alt. Delegate Christina S.

Rick’s purpose at this meeting was to solicit feedback from groups and committees concerning Agenda Items for the 73rd General Service Conference which will be held in New York the week of April 24-29, 2023. The following are the instructions he gave to GSRs and DCMs to use when reviewing the agenda items:

- Have your group/committee review the conference agenda and pick three items (or more if you so desire) that are important to your group/committee and have a thorough discussion of these items.
- Using the provided feedback form, let me know if the group/committee agrees or disagree with the item.
- Include any comments in the comments section you feel are pertinent and/or informative.
- The form is fillable, so you can save it and fill it out electronically. Then email it to me or
- Print it out and fill in by hand. Either scan it and email it or send me a photo of it.

Rick would like to have this information before April 24 if possible. A note from Rick: I truly appreciate your time and consideration in this matter. Thank you for your participation in the Conference process.

Clarification concerning the 5th edition of the Big Book versus the Plain Language Translation Big Book: The 4th edition of the Big Book was published in 2000 and typically AA does another edition around every twenty years or so. The 5th edition Big Book will contain the original “first 164 pages” unchanged except for some statistics about membership and it will contain a new Forward. The goal is to release this book at the 2025 International Conference.

The Plain Language Big Book was voted in by the 71st GSC. This book is being written for a reader with a fifth grade reading comprehension and the writing has been in progress for two years. At the 73rd GSC, each Delegate will have one hour to review the new Forward, The Doctor’s Opinion, and the first six chapters. This will be done in a secluded room with no electronics allowed. During the 73rd GSC, the entire Conference will get to vote 1) Approve, 2) Not Approve, OR 3) Send it back to Trustees for further review.

Just as an FYI, a subcommittee of three trustees (Jimmy D. is the Chair) have been meeting with the translators every two weeks.

Question: Is the Plain Language Book being written to compete with other publishing companies that are writing plain language books? No

MARCH 2023—Meeting Minutes Pg 2

Question/Statement: AA has been allowing other publishers to write our history books. I think it is more important to write our own history book instead of the Plain Language Book. Rick's reply: Good idea, maybe good idea for the 74th GCS.

Question: How much has already been spent on the Plain Language Book and what is the completed cost?

Rick: I don't know.

Discussion of Resignation of the Chairman of the Board, Linda Chezem:

Rick: "Two Trustees asked for the resignation before the regular meeting. Ms. Chezem went to her room. The two Trustees typed a letter of resignation, took it to her room, where she signed it and 2/3s of the Board Members voted to accept it.

Question: Was one of the Trustees the Treasurer? Yes

TRADITION/CONCEPT : Tradition II and III – Daniel. / Concept II and III – Melanie Not done this month due to lack of time.

I have not heard back from any of our GSRs on agenda items that your group wanted to discuss. I have selected a few and one I am sure to bring up some debate over the plain language version on Big Book 4th edition.

As stated in my submission for the newsletter, the District Inventory went great. It was great because of your participation and Wayne's facilitation. Thank you again to everyone who participated! I am looking forward to seeing the district's considerations addressed. Willingness without action is fantasy.

MARCH 2023—Meeting Minutes Pg 3

Speaking of, there was a topic that was brought up a few times that caught my attention at the District Inventory. If you would like to see your Group put on a function for the District, focused on the 12 Concepts, please see me and we'll see what we can come up with. I would love to be of service.

The SETA Assembly is coming up April 1st – 2nd! No, it's not an April Fool's joke. Let your Groups know. Your Group's voice and presence are important! The round tables at the Assemblies are opportunities to hear different perspectives throughout SETA on different topics affecting AA and maybe even your group. We look forward to seeing you there!

Thank you for letting me be of service!

Through love and service,
