

# DISTRICT 40 NEWSLETTER

UNITY - RECOVERY - SERVICE

## Step 7

**Humbly** asked Him to remove our shortcomings.

## Tradition 7

Every A.A. group ought to be fully self-supporting, declining outside contributions.

## Concept 7

The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.

## GSRs get more time.

We at **District 40**, will be implementing a new agenda format. You might have seen so far that it is more of a dynamic solution to adapt to what the district needs to help each GSR. We will be opening approximately a 40 min window in the first hour of the monthly meeting to focus on training, tips, and sharing sessions for each GSR. Let us know about your groups, how old your group is, where you are meeting, what type of meeting you have, and any events and/or problems that your group may be experiencing. This is where we can discuss the **experience, strength, and hope** from our collective experience.

We will be setting up an **Outreach Committee** to see if we as a district can get more involvement for all the groups in the district. Our primary purpose is to help the next suffering alcoholic, not just sponsoring but helping the message get out. This is where we need to get the groups more active in the whole structure of AA. Not isolated islands but a chain of recovery that spreads across our district, all the AA areas, and the world. As our preamble was changed to use people instead of men and women, I think it should have been earthlings but that is just because we have NASA in our area. I think it sums us up better as a whole if we use tradition and practice unity. I will ask those who would like to help in this to let Mike and myself know. We can't go to a woman's meeting so we will need help there and also those that have different schedules to reach out to meet during any time of the day. We look forward to implementing this for the duration of this rotation.

**Workshops**, let us know if your group would like to host one or fund one. We are using COTHA for our physical location for district meetings now and I am sure we could use that location to put them on in a hybrid format as long as Mike or myself are there for tech support. We are working to collaborate with other districts to put on more workshops and training. We will be bringing this to the other DCMs at the DCM sharing session with our delegate and Alt delegate at the July Area Assembly.

Let us know your thoughts on this and what else you think would help with the communication up and down the triangle. Thank you for your service and commitment to the program that saved our lives and restored us to functioning members of society.

In Service,

Doug D—DCM District 40

We are going to know a new freedom and a new happiness.

## THE TWELVE TRADITIONS

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

### SELF-SUPPORT

The Seventh Tradition states that Alcoholics Anonymous is self-supporting through our own contributions. The contributions help to cover the group's expenses. But the Seventh Tradition is more than simply paying for rent and other group expenses. It is both a privilege and a responsibility of individual groups and members to ensure that our organization, at every level, remains forever self-supporting and free of outside influences that might divert us from our primary purpose.

The monetary amount of each contribution is secondary to the spiritual connection that joins us in unity with A.A. groups around the world.

**Service Material from the General Service Office**

### Self-Support Facts

#### *Does G.S.O. handle all the contributions that come from the Fellowship?*

While members and groups often use the phrase "contributing to G.S.O.," contributions are actually made to the General Service Board, which is responsible for all Seventh Tradition contributions. The G.S.B. accepts contributions and uses them to help pay for services to the Fellowship that are carried out by employees of the two affiliate corporations working at the General Service Office.

Seventh Tradition contributions do not cover all costs of services; the shortfall is made up with literature sales.

Contributions may be made by check or credit card, using the contribution envelope. Make checks payable to the General Service Board and send to:

General Service Office  
P.O. Box 2407  
James A. Farley Station  
New York, NY 10116-2407

(Please write your group number on the check)

Online contributions may be made by credit card. Additionally, members or groups can set up recurring contributions that will automatically charge their credit card either monthly, quarterly or annually. Click on the A.A. Member Contributions Online icon on [www.aa.org](http://www.aa.org).

D40 DCM report May 2023

Hello, my name is Doug D. and I have the privilege of being the DCM of this district.

I put some of my reports in this month's newsletter so I could make sure Mike B had more time to discuss the Traditions Dinner.

Next month we will have Rick M, our Area Delegate stop by to give his report on the GSC 2023. We voted on having it during our regularly scheduled District meeting in June. We will be pressed for time so I hope all of our committee reps will send in their reports before the meeting so our secretary, Theresa S, can insert them into the unofficial minutes.

Area Committees are meeting at the Quarterly Area Assemblies in April, July, and October. January is usually too busy to meet during the convention. In July, I hope all our committee reps will come on out to the Assembly and meet up with your committees in person.

Collecting and sorting all the groups in D40 is being worked on now. GSRs please send me a new email, please don't click on an old one, I get a lot of responses to the D40 agenda emails and sometimes they get lost in the deluge of different topics under one thread. So, if you could start a new email and send me your group info to make sure your group uses the correct info, info to make sure your groups are using the correct info and I can check you off the list. I currently have 168 groups from GSO and around 100 from the meeting guide app. I am trying to make sure our active groups have all the correct information and get the inactive groups reconnected. I just found out that if GSO does not have a contact for your group like a GSR it will automatically transition your groups to inactive because they cannot connect with you.

In Service,  
Doug D

## ALT DCM REPORT: Mike B

April 2023 Alt-DCM Report

GSRs and Alt-GSRs, as always please let me know how I can best serve you and your home group, so that we can carry out our primary purpose.

Get it on your calendar, it will come fast, July 8<sup>th</sup> & 9<sup>th</sup> is our next Area Assembly! Also, the 76th Texas State Convention is June 9<sup>th</sup>-11<sup>th</sup>. Registration is open online.

The General Service Conference has passed. Rick M, our Delegate, attended and sent daily updates while there. If you're a GSR or Alt-GSR and haven't signed up for a SETA email and/or SETA announce, you're missing out on a lot of great information. See our District IT Rep for more information on how to do that. Rick will be joining us in June to give his full report.

The Traditions Dinner planning is underway. Most of you should have gotten a survey to determine which date works best for the District in July. We had 22 responses, and of those 22, 17 chose the 22<sup>nd</sup> of July. I have confirmed that date with COHA, where it was held last year. If you are interested in helping in any way, please let me know. I would love to get participation from each of the committees, and especially any groups. More to come. (See survey results below)
