From your D.C.M.

Hello District 81,

It's been a busy year in District 81 and looking forward to some service events that should be productive and fun in 2018. I will be asking for volunteers at the next couple of meetings, so be ready to step up and enjoy some service work.

I really appreciate our District Treasurer, Craig, for pinch hitting for me at Dist. 81 Meeting in January. Everyone said he did a great job and they had a very interesting and productive meeting. Thanks for filling in.

Don't forget – there are OPEN Service Positions.

Yours in service,

Mitch O.

Who we are:

District 81 is one of 18 districts that make up Southeast Texas Area (Area 67). Our district is located south of Houston, TX and includes Galveston Island, Texas City, La Marque, Dickinson, Santa Fe, League City, Webster, Manvel, Friendswood/Pearland, and Hitchcock. Parts of the Bolivar Peninsula are included in this district, but they have historically participated in District 90.

Where we meet:

District meetings are held on the First Wednesday of each month in the Banquet Room at Kelley's Restaurant on I-45 Exit 12, La Marque. The meeting is from 7:00 – 9:00 PM; however, several members come at 6:00 PM to enjoy the food and visit.

Why we meet:

The purpose of monthly district meetings is to share information on how to better carry the message to the still suffering alcoholic and to enable groups to have an informed group conscience. This is accomplished through our District Standing Committees who share information with the G.S.R. (General Service Representative) who in turn take the information back to their home groups. Our Standing Committee representatives attend Area Meetings where they meet with the other districts' members in Area 67. Each District may have its own committee.

All are welcome to attend the District 81 Sharing Session Monthly Meeting and if anyone needs additional information on any of the published agenda items, they may contact our D.C.M. or Alternate D.C.M. and they will be glad to give you more information.
