District 10 **Allison W, DCM** **Walter G, Alternate DCM**

Elections for 2007:
Secretary: Carmen M.
CFC rep: Mary C.
TFC rep: Eber
DCM: Allison W.
Alt DCM: Wally G.

Peggy, GSR reported that the La Branch Street group had a successful Christmas party. They just had a group conscience, and filled several positions. She did not have the names of the elected servants. Wally, GSR and George, Alt GSR reported that the Starting From Scratch group donated 42 -Twenty Four Hours a Day books as stocking stuffers to the residents of the Parc for their Christmas party. Eber, Alt GSR reported that the Welcome Home group, at the Men's Center, had a successful alkathon and had a Big Book giveaway.

District 20 **Sammie G, DCM** **Mark J, Alternate DCM**

This is my first report as the new DCM for District 20. I am excited, nervous and awe-struck that I have been given the opportunity to serve my fellow AAer's in this capacity. We finished up 2006 with a successful workshop on Surviving the Holidays in October and an informative Delegate's Presentation by Charles P. in December. Overall, 2006 was a great year for District 20. I would like to acknowledge and thank the previous DCM, Deborah DeB for her service, leadership and inspiration over the past two years.

We are off to an exciting start in 2007! One of our Committee members Magge A, along with the new Grapevine Chair, Dana B and the former Grapevine chair, Tom K made a spectacular presentation at our February meeting for the "Grapevines Across the Sands" project. The purpose of which is to deliver "a meeting in print" to our service people over seas, starting with Iraq. If your district, any meeting or individual is interested in supporting this effort...please contact Magge A at Surrender1990@hotmail.com or Dana B at Dana@texasflange.com.

I am excited by the energy being generated in our district. Please come and visit our District Meeting the first Saturday of every month. It is followed by a Round Robin Speaker Meeting, speaker and food provided by a group within our District. All are welcome. For the next six months starting in March, we will be temporarily relocating to the campus of St. Thomas University in Anderson Hall, 3921 Mt. Vernon St.

With gratitude, Sammie G

District 31 **Duane P, DCM** **Jeanette W, Alternate DCM**

Hello from district 31. Our meetings are held every 3rd Sunday at the Kingwood Club on Russell Palmer Rd at 2pm. We just completed the first part of our district inventory, and are moving into the action phase, where we hope to continue to grow with God.

This district is one of the geographically largest in SETA, with 35 groups listed as active and 20 contributing to the area. We are planning to reach out to all these groups often and ask for feedback on how we can help them in their primary purpose.

I would like to thank the new GSRs and District Officers for their willingness to serve, and for the opportunity to serve the District.

Love in Service, Duane P

District and Committee Reports (not verbally presented at Assembly)

Recognizing that Bart's shoes will be big ones to fill, I am looking forward to the next two years with a spirit of excitement. District 32 has been a dynamic force for several years now, with lots of energy supplied by GSRs and other service members. One of the first items on the agenda is to ensure that all the various committee seats are filled. We are still looking for district representatives to the Grapevine, CFC, and CPC committees. Our starting lineup for positions already filled include:

| | |
|------------|-----------|
| Alt DCM | Katie B |
| Secretary | Shirley M |
| Treasurer | Lynn G |
| Newsletter | Bill D |
| TFC | Mark H |
| PI | Charity D |
| Intergroup | Frank F |

During the next few months, the district is looking forward to setting goals and a budget for the upcoming year. We continue to be very well funded by our groups, and are looking forward to input from them on how we can effectively use our funding to carry the message more effectively. Goals will also continue to focus on committee work at the group and district level.

It may be more difficult to put together an event that can top last year's highly successful "How to (or not to) Chair a Meeting" event held at Champions. Nearly 60 people attended from more than a dozen groups, and everyone participated in lively discussions between skits. Our first quarter 2007 newsletter has a recap of the event, which included three hilarious skits demonstrating every chairperson's worst nightmare.

I want to thank Bart M for his two years of dedicated leadership during which District 32 hosted the Area Gratitude Dinner, hosted one of the Hospitality Suite at the 2006 annual Area Convention, partnered with District 31 to provide 120 greeters for SWRAASA, routinely published an informative district newsletter, was well represented on several Area committees, among a host of other accomplishments. I'm looking forward to working with everyone over the next two years.

Howdy SETA Family! I hope this finds all of you enjoying a great start to the new year. We kicked off the 2007-2008 service calendars with a "GSR 101" workshop in December for all of the newly-elected GSRs. Alternate Delegate Betsy G. and District?? DCM Lee G. led the workshop with information from "The AA Group" pamphlet. They each shared their experience as a GSR. Each GSR in attendance received a "New GSR Packet" made up of a Service Manual, a schedule of monthly district meetings and area assemblies, a definition list of AA acronyms and commonly-used terms, the 7th Tradition pamphlet, the Twelve Traditions Illustrated, and a few other service items taken from the AA website. Our district decided to do this because it usually takes several months for new GSRs to get their information packet from New York, once their information is submitted to the Area Registrar. By that time there have already been several district meetings and possibly one assembly. We felt this was a good investment in the future. As it states in the Service Manual, the best way to build enthusiasm about service is to provide information.

By the time you read this, we will already have had our annual District 33 Unity Conference, February 9-11, 2007. We have a great mix of engaging speakers and educational workshops lined up, along with an Oldtimers Panel, a Chili Cook-off, a dance, and Recovery Wheel of Fortune. Gary K. from Denver is going to present a couple of workshops with Marvin W. The SETA CFC, TFC, PI, and CPC committees are also making presentations. I hope that my next report will show that we had a great turnout, loads of fun, and learned a lot about carrying the message.

I feel so very thankful to be asked to serve my district as DCM. There was a time in my life when anyone who knew me, knew that I couldn't be counted on to do anything that required much responsibility. You people have taught me how to suit up and show up, and I am forever grateful for being a part of something that gives me a purpose in life.

Love in service, Debi U

Hi all. District 40 had a very productive meeting on January 9, 2007. One of the new things we are starting is to have one person read a tradition and one person read a Concept for the corresponding month, and then give a brief summation of that tradition or concept. We also voted to create a budget for 2007 and Betsy G., Elena W., Brad H. and I will be meeting to put a preliminary budget together. In addition, we accepted Lon B., by acclamation, as our PI committee chair. We are also in the process of researching the meetings in our District to provide a comprehensive list of meeting times and locations so that we may elect Local Committee Members (LCM's) to visit these meetings and encourage more participation at the district level. I was very encouraged to see the excitement of our new GSR's the Committee chairs and participation of past DCM's and other volunteers we had at our meeting in January. Many thanks to those who entrusted me with this service opportunity. I look forward to serving AA for the next 2 years in this capacity.

Hello from District 51. I'm Ronald and I am the new DCM for the District. First of all I want to thank the outgoing DCM – John O for the outstanding job he did in the previous two years. He definitely set a great example. In the upcoming year we in District 51 will concentrate on increasing our GSR participation, making sure our groups are informed and of course having fun in sobriety. Stay tuned for information on our upcoming workshop.... We meet the last Saturday of the month at 11:00 at the Delta Club. All are welcomed.

District 52 its first meeting of 2007 on Tues. Jan. 2, 2007(1st Tues. of each month). The group appeared to have good enthusiasm during our discussions on: District 52 Annual Gratitude Picnic (Sat. 3/31/07 @ Aleif-Amity Park); S.E.T.A. Annual Gratitude Dinner in November. District 52 has the responsibility of Host and we're actively seeking a Co-Host DISTRICT. At the Conventions' DCM-Delegate sharing session (2) Districts stepped-up to volunteer for coffee and the desserts-We'll look for the others to step up @ the April Assembly. We also discussed several possible topics for Workshops this year.

Happy New Year from District 65!!!!

District 65 is made up of twelve groups, but only eight attend on a regular basis. Meetings are held on Saturdays, beginning at 6:00 pm. Elections were held on October 28 to choose the new DCM – Roberto V and Alt DCM Ernesto M. District 65 presently has three committees: literature – which meets on Saturdays at 5:00 pm, La Vina – which meets every other Tuesday at 8:00 pm and Correctional Institutions – which meets on Saturdays at 5:00 pm/ All committees hold their meetings at the district office.

DCM's and committee representatives visit different groups on Thursdays and respond to other groups' invitations throughout the week. Members of district 65 are enthusiastic about the upcoming year and wish to extend an open invitation to all those who want to get to know us better.

Respectfully submitted, Roberto V DCM and Ernesto M Alt DCM

This district is composed of seventeen groups, in which eleven have representatives. This district has meetings on every Saturday of each month; we have a study meeting every second and fourth Saturday of the month. We also share with the groups two days per week. The new servers started their assignments on January 6.

A new group was opened, it is called "Una Luz en el Vendabal", and they sent their new GSR to this district.

Our district already has a website: www.aadistrito66.org; the site still under construction, but you can visit it now. Suggestions and other messages are received at this E-mail: distrito66@sbcglobal.net

Attentively, Jose Manuel

I would like to begin by thanking that power greater than ourselves, and Alcoholics Anonymous, for the opportunity to serve. Our district has changed its day and time to, the 3rd Sunday of the month at 2:30 pm. The change we hope will improve participation. We are averaging 20 to 30 trusted servants a meeting; we welcomed 3 new GSRs at our last district meeting.

We will be participating in the July assembly by hosting it. Johnny T the Alt DCM who celebrated 33 years last month is chairing the committee to put on a district event, workshop, picnic or something. More will be revealed.

We have gotten positive feedback on our quarterly newsletter the Jaywalker, put and held together by the editor Barbara who celebrated 25 years a few month's ago.

Our treasurer Cynthia experienced a difficult process in opening our district bank account, until she was inspired to go back to what had worked before. What a joy when it fell into place. Michael our TFC (treatment facilities committee) rep is on fire!! Seeking to give back what was freely given to him. I'm currently working on a TFC list for our district to have us all better informed.

The new year has begun in a positive and upward direction, and can only give hope to that poor sick alcoholic who has not arrived yet. I would like to thank all the trusted servants who rotated out and continue to show us through the true AA way by example. Thank you all, again from District 70.

In Love and Service, Rafael E.

Hello all, hope you're having a Happy and Sober New Year. District 81 has been busy since last Assembly. In October we had our 2nd Annual Traditions & Concepts Weekend on the Beach that was well attended by Area Officers and AA members from throughout the area. David H and Gary K, a.k.a. Stick & Bubba, shared with us from Friday evening through Sunday noon and it was truly a success with the majority of

attendees remaining through the last session. We started off the New Year with a well attended district meeting on January 3rd with 6 new GSRs present. We had the first installment of our GSR "training" sessions led by our district registrar and past-delegate, Panel 51 Area 67, Marvin W. The importance of the GSR position was discussed in detail. Next month we will discuss group conscience meetings and hopefully work through the *tiny little* (yeah right!) group handbook that each GSR receives. District 81 will host the April Assembly and the effort will be led by our energetic Alt-DCM, Jim B. I had the privilege of attending two group consciences in the district already this month, at 33rd Street Group and at West Isle Group in Galveston. Both groups have clearly understood the importance of some organization in our benign anarchy and their group conscience meetings were a great example of effective communication and effective use of time. Next Monday I will also have the privilege of attending the group conscience at Brooklyn Heights Group in Kemah. Our district meets the 1st Wednesday of the month at Kelley's off exit 12 from I-45 in La Marque. All in all, District 81 remains healthy and active and I thank my fellow district members for the privilege to serve.

Hello from down south! Hope this report finds you, your districts, and your groups in the best of health. District 82 and I are still trying to get use to the transitions from our elections. Although there are still many open positions in our district, God made sure we have the positions filled that are enabling us to stay functioning, such as DCM, Secretary, and Treasurer. District 82 co-hosted a hospitality suite with District 81 at the 2007 SETA Convention. The Plantation Group held their Annual Founders Day Celebration Feb. 3rd. The Beginners Group will also be celebrating their 19th Anniversary on Feb. 24th at the B.A.C. in Clute. My goal is to invite all area committee chairs, Delegate, and Alternates to give a presentation to our District in hope it will spark some interest, especially in our groups. Many prayers will be appreciated continuing to trudge this road. District 82 meets the first Sunday of every month, at 3:00 pm. Located at the Conoco-Phillips building, 1002 Ashley Wilson Road, Sweeny, TX

Hello SETA Friends,

We've started the New Year with a full slate of officers, transition was smooth. We had a full house for 1st dist. mtg. twenty of the 35 groups were represented, past DCM's, delegates and Gus were in the house. We had several visitors and new GSRS. We have workshops scheduled for Feb./March, Charley A. will be presenting New GSR workshop @ Feb. mtg.. Gus will be presenting 7th Tradition workshop in March. We are still seeking volunteers to continue bringing the message inside prison walls, treatment facilities. We have been able to distribute grapevines in both English/Spanish at local prisons. We are sending GSO a check in the amount of \$1000.00, proceeds from Dist 90 Gratitude Dinner. Our GSR meetings are held the 1st Sunday of each month @2:00pm. We meet @ Ave E and Franklin in Beaumont. You are always welcome to attend. We plan to have more workshops during the year.

Correctional Facilities **Robert B, Chairperson**

Greetings from the SouthEast Texas Area Correctional Facilities Committee. I am as grateful as I know how to be for being allowed to serve the SouthEast Texas Area and AA as a whole in this capacity. This has, already, been an absolutely awesome experience. I'd like to start by thanking the previous committee for their inspiration and experience in helping each of our new committee members become more understanding and effective as we endeavor to give back what has been so freely given to us.

Activities have started off with a bang! Towards the end of the last panel, a new meeting(s) was started in the Plane State Jail, a women's facility in Dayton. On January 4th of this year a new meeting was started in an intermediate sanction facility for men and the Monday Night Men's Supper Step Study Group has been sponsoring that meeting.. Recently we have been in discussion with the Harris County folks to begin Monday night meetings at the 701 San Jacinto Facility. Plans are to have 14 meetings on Monday nights. We have also been contacted by the Brazos County Juvenile Facility to discuss opportunities there. Communications continue in that arena.

Through all of this, and in the facilities we already cover, over 800 pieces of AA literature has been distributed to inmates. Included in this number is over 200 Big Books, most of which were passed to inmates through the hands of AA members, one alcoholic to another.

It's evident, though, that we have only scratched the surface. Our correspondence team is treading water. We need volunteers to help carry the message of Hope and Recovery by answering letters from inmates. Both male and female volunteers are needed. With our introduction into the ISF facility, we need volunteers for our pre-release program so that an AA member is there when the inmate is released to carry them to a few meetings and help them get acclimated to a life free from alcohol, help them find a sponsor, and a home group. And we need a bunch of volunteers to commit to carrying the message behind the walls.

It's been a busy January. If you feel that there's something missing in your life, this just might be the time to get into service. It's likely to fill any hole you may have in your life. No matter where you live, we have a meeting where you can be of service by carrying the message to those who don't have the opportunity to choose from 2500 meetings a week. It's fun, it's fulfilling, it's needed, it's..... the twelfth step! Come be a part of.

Yours in Love and Service –
Bob B.

Cooperation with the Professional Community **Gary L. S, Chairperson**

The Cooperation with the Professional Community (CPC) will meet February 5, 2007 at the Houston Council on Alcoholism, 303 Jackson Hill, off Memorial Drive at 6:30. Beginning March the committee will begin meeting the first Monday of each month, except when CPC is meeting at the assembly. We will meet at the Country Gentleman 3829 Dunlavy, Houston TX 77006. This will continue on a monthly basis until the Council on Alcoholism completes construction of a new covered parking garage.

The first quarter will be busy with the CPC booth at the January SETA convention in Galveston. February brings the District 33 Unity conference in Bryan College Station and a joint information workshop with the Public Information committee. The committee has requested time at the April assembly for a CPC workshop. Our primary purpose is to inform new GSR's and DCM's of the goals and objectives of the CPC committee on District as well as Area level.

The committee has also been contacted by a juvenile correctional facility to help educate their professional staff on alcoholism and possible with the help of the correctional committee help start AA meetings behind the walls.

As always we invite all districts to have us come to their district meetings and inform all GSR's and attendees how CPC carries the message.

In Love and Service,
Gary

Grapevine

Dana B, Chairperson

Dana B, who in 2004, initiated the revival of the AREA 67 GRAPEVINE COMMITTEE (being very pregnant) has emerged (again) from Dst 60 to reign over the New and Improved (but not perfected) AREA 67 GRAPEVINE effort as we continue to grow in understanding and effectiveness. Oh, by the way, her husband has just rotated out of AREA 67 TFC chair to do the babysitting when necessary, and may have some helpful ideas as well!

It has been an awesome experience to visit all of our districts and witness the overwhelming response back to awareness of the best 12th step tool we have. I remain in direct touch with DCMs and Committee Chairs as our momentum of participation increases the need for even more participants to distribute the work(s) you all do at the GSO to produce the International Journal of Alcoholics Anonymous.

We thank *you* and the staff at the GRAPEVINE INC and you may look forward to even more growth in success in our AREA.....and thank you all who helped make it happen, especially the GROUP representatives that stepped up to the plate when you were asked to do something you had never done before.

Grateful to serve when needed (with or without experience),

Randee B, Chairperson

David O, Alternate Chairperson

I am sad to say that the infamous Literature Committee puppet show has been retired. If you didn't get to see it, you truly missed a wonderful enactment of Conference-Approved Literature. However, in its place, the Literature Committee has been hard at work preparing another spectacular presentation for the districts. We are hoping to begin presenting to districts in February. If your district would like the Literature Committee to make a presentation, please contact me at teach.for.life@hotmail.com.

This January at the SETA Convention, the Literature Committee debut a scavenger hunt where participants received 3 conference-approved pamphlets and questions. They had to find answers to the questions within the literature. It was a wonderful way to have A.A.'s read pamphlets that they might not have ever read.

Here's your bit of trivia – What is a district literature chairperson and what is his/her purpose? To find out the answer to this and more, join us at our monthly meetings the last Saturday of each month at the Delta Club at 12:00 p.m. We look forward to seeing you there.

District and Committee Reports (not verbally presented at Assembly)

We basically have a whole new committee this year which is very exciting. That is because it means that there are new sober alcoholics who have said YES to serving on our Public Information Committee. The committee is currently studying the PI Workbook and coming up with two or three goals to pinpoint where to put our focus for this year. As Chair, I feel it is best to have a few goals that we can all align our service force behind to see them to fruition. The underlying goal of course, is to carry the message of Alcoholics Anonymous to the general public in a variety of ways.

The first quarter is jammed with service opportunities all in the form of Health Fairs. So far, we have two in February and three scheduled for March. In addition, the committee was asked to present a workshop at District 33's Unity Conference co-hosted with the CPC Committee. The two committees are also planning to present another workshop at the April Area Assembly.

At our last meeting the Chair and Co-Chair, Mary Ann M. presented a Public Information talk to the members of the committee. We feel that training the committee is critical to service our Area better.

We are willing to come and train any Individual, Group and District that is interested in learning how to present a PI Talk to the general public. I would like to arm as many people with the skills to be able to complete talks as the Committee gets requests to perform. The more trained members, the more places we can attract to carry the message. Please contact the committee if you are interested.

Treatment Facilities

Marsha P, Chairperson

I feel so blessed to be called to serve as Area 67's new TFC Chair! I have always felt that the exposure to Alcoholics Anonymous that clients get in treatment facilities can either make it difficult for them to stay sober, or easy. Hopefully, we can send the right message as to who we are and what we do (and don't do!).

Jeff B. did a fantastic job of facilitating the growth of TFC work into other cities in Area 67 besides Houston and I hope to continue that trend. There are new enthusiastic faces showing up at the meetings that are excited about doing this! There are several new Bridging the Gap meetings (BTG) and more apparent needs for temporary contacts.

We continue to have a need for more temporary contact volunteers in the northwest area of Harris county as well as the Missouri City/Pearland areas. The population is growing in these areas and likewise we are seeing more people in treatment facilities being discharged to go back to those zip codes. If you go to meetings in these areas, please consider signing up for this simple, quick, but meaningful service work. If you would like more information on the Temporary contact program, please give me a call or email me at setatfc@gmail.com.

Look for new sign-up sheets soon on the TFC website page, too.

Terri VS

Hello to all. I had the pleasure of attending my first Intergroup Board of Directors meeting on January 18, 2007. The Intergroup Board meets on the third Thursday of each month. This meeting is followed by the Intergroup Delegates meeting every other month, in February I will attend my first Delegates meeting. I have not known much about Intergroup, I hope to learn more and pass that information on to you. I have a special place in my heart for the people at Intergroup. When I reached out for the hand of A.A., a very kind woman at Intergroup directed me to a Sunday afternoon women's meeting close to my home. It was there that I met my first sponsor.

Several things were discussed at the meeting, including:

- Amending the by-laws to allow a Delegate to be removed from the list by the Board or Executive Secretary after missing three consecutive meetings. This will be a motion presented at the next Delegate's meeting. Currently, only a group can remove it's Delegate, and many on the list have moved or no longer attend.
- A committee has been established to review the current inventory and examine the pricing structure to determine what changes need to be made.
- Correctional Facilities Chair Jeff H is looking at keeping his literature at Intergroup. He stated that of all the Intergroups in Texas, Houston Intergroup supplies most of the literature for the prisons. He wants to get other Texas Intergroups involved in carrying the message.
- Tom K, Intergroup Liaison to SETA, emphasized the need for cooperation between the two organizations.
- The need for contributions from the groups.

Thank you for the opportunity to serve as your Houston Intergroup Liaison. I am looking forward to all that I will learn in this important position.

Sincerely,
Terri V.
