- VI. **Delegate's Report – Melissa R.**

Good morning to all the members of the South East Texas Area Committee. My name is Melissa R. and I am honored to be serving as your Panel 65 Delegate. I want to welcome all the newly-elected trusted servants for the Area, Districts and Groups. I want to thank Ronald C., our Alternate Delegate, for serving our Area and Alcoholics Anonymous so well! He is ready, willing and able to help.

I want to thank the Area for this opportunity. Your trust and confidence in me to serve as your Delegate to the General Service Conference is both humbling and inspiring, and I pledge to do the best job that I can. I plan to build on the foundations laid by those who came before me, and who have done so much for our Area; and as I hear so often in these rooms: to try to leave it a little better than I found it – which, believe me, is a challenge! My main role is to inform each of you about what is going on in Alcoholics Anonymous as a whole and to be the voice of your ideas, experience, and collective group conscience at the General Service Conference. Communicate, communicate, communicate!

**2015 Conference Theme and Presentation/Discussion Topics:** The Theme of the 65<sup>th</sup> General Service Conference is "Celebrating 80 Years of Recovery, Unity and Service – the Foundation for our Future" and presentation/discussion topics will include: "Our Common Welfare through Gratitude in Action"

Diversity in A.A. - Our Heritage of Inclusion  
Safety and Respect - Practicing the Principles Begins in our Home Group  
Safeguarding our Traditions through the Evolution of Technology  
Inventory - Looking Back to Move Ahead

In order for me to participate in these discussions at the General Service Conference, I need to understand how the Area, Districts and Groups feel about them, so it's important that these topics be discussed at Assembly and District Workshops, District Meetings and at your A.A. Group meetings.

As you get feedback on these topics, please email the results of your discussions to me. You can send your feedback to the following SETA Webmail address: delegate-65@aa-seta.org.

General Service Conference Committee and Inventory Group Assignments: I have been assigned to the Conference Committee on Treatment Facilities and Special Needs/Accessibility. And as Patrick was before me, I have been assigned to inventory Group K. I'll be working on the following inventory question topics at the Conference:

The General Service Board/Corporate Boards (A.A.W.S. and A.A. Grapevine), and Leadership

I have also received the 2015 General Service Conference Committees Preliminary Agenda Items. I have copies for you, the Area Committee Members, of these Preliminary Agenda Items, as well as copies of the 2015 General Service Conference Inventory Questions. The questions for Group K are on page 2. This is the third and final year of the GSC Inventory, as you'll remember it was broken down into three segments.

I plan to provide copies of both the Agenda Items and the Inventory Questions to the DCMs at the Delegate/DCM Sharing Session this afternoon, and the DCMs can then pass the information on to their General Service Representatives (GSRs).

Regarding the proposed Agenda Item submitted by Delegate Patrick C., that the 75th Commemorative Edition of the Big Book be published in Spanish: it is not included in the Preliminary Agenda Items; however, I received notice that it was forwarded to the A.A.W.S. Chair, since it pertains to a translation of an existing A.A.W.S. publication. The AAWS Board will follow up on the request. I'll keep you informed as I receive updates.

I will present more detailed information regarding A.A. as a whole, in my Area Assembly Report tomorrow morning. If anyone has questions, please find me and talk to me this weekend. Thanks to the Convention Committee, we have a Delegates' Table, so come see me there. Thank you and enjoy the rest of the SETA Convention!

## **VII. Alternate Delegate's Report – Ron C**

I have the honor and privilege of serving as the Alternate Delegate for Area 67 Panel 65. First of all welcome to all new Trusted Servants. For all returning Trusted Servants it is good to see you again. Happy New Year to all.

The Area 67 annual Gratitude Dinner was held November 16, 2014. "Life will take on new meaning" page 89 of the Big Book was the theme for the Gratitude Dinner. It was definitely in evidence with the wonderful food, fellowship and the Mariachi band. Attendance was standing room only (approximately 375 people). The two speakers just blew me away. Melissa and all the Districts volunteers did an outstanding job and deserve all of our appreciation. But congratulations have to go to District 51 who was the host district and District 40 who was the co-host district. District 40 will be the host district for the 2015 Gratitude Dinner. It is not too early to think about your District's participation in 2015. The Gratitude Dinner is self-supporting through contributions made specifically for the event. Also a couple of lost items were left behind at the VFW hall. If they are yours please let me know.

SWRAASA (South West Regional AA Service Association) was held October 10-12, 2014 in Corpus Christi Texas. It was awesome to celebrate sobriety and service with people from throughout the region. Our region consists of seven states and eleven Areas. On the agenda were three workshops presented by people from within our Area. Kris, Paul and Zaz did wonderful and informative presentations, and I got to share my experience as an Area Chairperson. Also our multilingual committee provided translation for this regional event. What I found truly inspiring was listening to the Trustees sharing session. The message that they communicated was that as they rotate on, they know AA is in good hands. Our hands. If you would like more information, the SWRAASA Highlights are posted on the SETA website on the Regional and State Events web page.

Other upcoming events in 2015 are The Southwest Regional Forum. It is October 9-11, 2015 in St. Louis Missouri. The Forum will be hosted by Area 38 (Eastern Missouri), so save the date. For more information the flyer is posted on the SETA website on the Regional and State Events web page.

Also the 69th Annual Texas State Convention is August 14-16, 2015. It will be held at The Grand Texas Hotel and Convention Center in Midland Texas. Normally the AA Texas State Convention is in July but this year in will be in August because the AA International Convention is July 2 - 5, 2015 in Atlanta, Georgia. The theme for the Convention is "80 Years – Happy, Joyous and Free."

If I can be of service in any way please feel free to contact me at [delegate-alt@aa-seta.org](mailto:delegate-alt@aa-seta.org). Together we can trudge the road.

**VI. Delegate's Report – Melissa R.**

Good morning to all the members of the South East Texas Area Committee. My name is Melissa R. and I am honored to be serving as your Panel 65 Delegate. I want to welcome all the newly-elected trusted servants for the Area, Districts and Groups. I want to thank Ronald C., our Alternate Delegate, for serving our Area and Alcoholics Anonymous so well! He is ready, willing and able to help.

I want to thank the Area for this opportunity. Your trust and confidence in me to serve as your Delegate to the General Service Conference is both humbling and inspiring, and I pledge to do the best job that I can. I plan to build on the foundations laid by those who came before me, and who have done so much for our Area; and as I hear so often in these rooms: to try to leave it a little better than I found it – which, believe me, is a challenge! My main role is to inform each of you about what is going on in Alcoholics Anonymous as a whole and to be the voice of your ideas, experience, and collective group conscience at the General Service Conference. Communicate, communicate, communicate!

Melissa talks about financial information and self support as given by the GSO on SETA Groups. The SETA Area 67 has 550 registered groups. She states: I have records for the 10 months ending Oct. 31, 2014, 229 Groups which is just under 42% sent in contributions to the GSO. The contributions totaled \$39,393. The average contribution of \$472.00 per group. I went back and looked at the same figures from a couple of years ago. In 2012 we had 224 Groups contributing out of 520, and that averaged to 43.76%, and they made contributions of \$54,238, so we are going in the wrong direction. Please talk to your groups about the services that GSO provides to your groups. I will give this info to the DCMs, and they will pass that on to the GSRs, please talk about this because it is really important for us to support our GSO.

Next I want to update you on our AA world services digital publishing program. In Jan. 2014 AAWS rolled out the new eBooks program, as made available thru 3rd party vendors, and from Jan thru mid Nov. 49,598 eBooks were sold. Web orders have made up 53.9% of total literature sales during the same period. AAWS. The recent price increase brought in \$3,858,000 in gross sales. Which was 49.4% over budget for the month. A 1.8 million dollar literature order from Hazeldon made prior to the Oct 1st price increase largely contributed to high sales volumes in

the 3rd Quarter. The 1st edition reprinting of the big book, as of Oct 31st, 175,448 copies have been sold, for a profit of \$1.2 million dollars.

The end of Oct. 2014, the GSO financials realized \$9,531,000 gross sales for literature, and it had \$5,540,000 in contributions. After 12.9 million dollars in operating costs GSO profits were \$2,157,400. In the same period Grapevine made a profit of \$213,430. The AA International Convention reports as Dec.1st, just under 30,000 had pre-registered.

I hope to everybody at the April SETA assembly to participate in the "Round Table" workshop. I look forward to working with everybody this year.

I have copies for you, the Area Committee Members, of these Preliminary Agenda Items, as well as copies of the 2015 General Service Conference Inventory Questions. The questions for Group K are on page 2. This is the third and final year of the GSC Inventory, as you'll remember it was broken down into three segments.

### **District 40 January 2015 Report –**

District 40 held its first meeting of the year with a great turn out. We had a strong group of servants, new GSRs and their alternates as well as past D40 servants, all of which brought great questions, answers, experience, ideas and most importantly laughter. There was a lot of participation from all and some very familiar feelings

of unity, opportunity, creativity and willingness. We will be producing a monthly newsletter that will include our meeting minutes, treasurer's report and some great articles. This will be posted on our SETA webpage along with any flyers for upcoming Group or District events. There are some open positions, but as time goes by with some encouragement, communication and patience I believe that we as a District can fill them. Our goal this rotation is to fill the positions with qualified, able and willing members rather than pressure members to warm up the spot. We have hosted a hospitality suite this weekend so please drop by before you leave today & grab a snack for the drive home. District 32 has teamed up with us to present a NEW GSR WORKSHOP on January 24, 1:00-4:00pm at SBMC and in addition to regular business we are the host District for the SETA Gratitude Dinner this year. Our plates are full but our hearts will be overflowing with the promises! Please come and visit us anytime, our monthly meetings are held on the 2nd Tuesday at 7:00pm at Bear Creek Community Center...and we have cookies!

## **District 10**

D10 continues to move forward as the Number One District in Area 67 (for role call purposes). New officers were elected for the 2015-6 term as follows:

DCM.....Mike A.  
DCM/ALT.....Tracy W.  
SECRETARY.....Michelle S.  
TREASURER.....Anita B.

The district hosted a gala New Year's Eve extravaganza at the Men's Center on 31 December 2014 consisting of a panel discussion followed by an open meeting led by outgoing DCM, The Honorable Katherine M. The attendees (65 plus) enjoyed a spirited discussion on 'New Beginnings' and afterwards feasted upon a profusion of tacos from a local tacoria served by the District.

Discussions are ongoing as to how best to increase attendance at District 10 Meetings held on the second Tuesday of every month at the 1st Unitarian Universalist Church at 5200 Fannin Street (3rd floor) at 7pm. The World Famous La Branch Group continues as a blessing to the district in terms of leadership. The newly formed St Mary's Group and it's GSR Tony is a growing bright light in the District. The Nameless Group will celebrate it's monthly birthday night on Jan 29 with one celebrant as Ray H. receives his 56 (yes, that's right) year chip.

District 10 has big plans for the future, we are not exactly sure what they are yet but we are pretty sure they're 'big'.

### **AREA STANDING COMMITTEE REPORTS**

#### Grapevine

Howdy. My name is Harold C., Alcoholic. I am the current Grapevine Committee Chair for 2015-2016. Our goal this year is to visit some of the lost souls previously not reached through our efforts. The AA Membership Survey shows us who are currently administered to by percentages. It also shows us where we might be able to be of maximum use. I look forward to being there when they do reach out for help.

Remember the March Issue of Grapevine Magazine, which will contain a story from one of our own.

Subscriptions are just \$28. per year and for 2 subscriptions for \$41 per year. Also the Digital availability and the audio version of our meetings in print include those who may have special needs.

I am grateful for the hard work o f Barbra G., our out going Grapevine Chairperson, has given in growing our GVR committee and in helping to serve so many.

## **Literature**

### **Literature Committee Report to 2015 Convention**

Chair: Kathleen T  
Alt Chair: Vacant

The Literature Committee sold AA General Service Conference Approved Literature at the 2015 SETA Convention. Sales were brisk. It was a pleasure to directly encourage the reading of AA literature, which is the purpose of our committee. The books had been provided by Houston Intergroup. Our committee is most grateful for their cooperation.

Our committee is sponsoring an AA Book Club. The Book Club meets the first Saturday of the month at Houston Intergroup at 4:30. Our current book selection is "Pass It On". Please refer to the Literature section of [www.aa-seta.org](http://www.aa-seta.org) for chapters that will be discussed at the upcoming meeting. We also discuss a pamphlet at each meeting; refer to the same webpage for our upcoming selection.

AA Literature is a way our experience, strength and hope are shared.

## **Treatment Facilities**

Hi, my name is Melanie, and I'm an alcoholic. I'm currently serving as Treatment Facilities Committee Chair for Area 67.

Thank you for allowing me the opportunity to continue to serve our Area, and I'd like to thank Tracy W. for his service as our past TFC Chair.

I am excited to learn about Bridging The Gap meetings, and finding out which facilities are in need of this committee's services; while having fun doing it.

I met two District TFC Chairs over the 2015 SETA Convention weekend and they seem eager to get going with committee business.

I was also informed over that weekend that our current Delegate, Melissa R. is assigned to this committee and she already has expressed that she has a few great ideas to share.

Our first committee meeting will be held on Saturday April 12th during the weekend of our next Assembly at the Sheraton IAH. Times and room # TBA.

Grateful,  
Melanie

FROM: SOUTHEAST TEXAS AREA ASSEMBLY  
 To: GROUP TREASURER

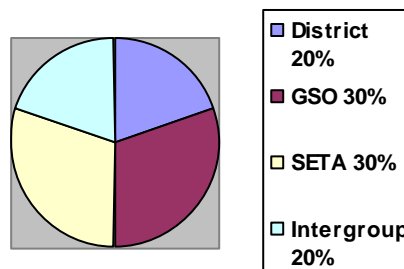

The 7th Tradition of Alcoholics Anonymous suggests "Every AA group ought to be fully self-supporting, declining outside contributions." Self-support includes financial support of AA entities that support the group.

These entities are: (1) General Service Office, (2) Southeast Texas Area Assembly, (3) District, and (4) Intergroup. Each entity supports your group in important ways: carrying the message around the world, answering telephones and taking 12-step calls, and keeping you informed about AA.

Please support each of these group services with Contributions from your group treasury after all Group expenses have been met. As a guide to deciding how to distribute group funds, SETA, with its knowledge of local activities and costs of Area Committee and SETA Assembly January 17-18, 2015

these services suggests the percentages in the chart to the right. All group contributions should be made in accordance with your informed group conscience.

Groups without an active GSR are urged to elect one. Districts without an active DCM usually Increase contributions to other AA entities by a % voted on by the group.
